

Fieldtrip Permission Form

2013-2014

Dear Parent,

Adams students have periodic opportunities to take trips sponsored by Adams School. These trips are planned so the students may learn under the direct supervision of the teacher and other adults who accompany students by bus, private car or walking. Every possible precaution is taken to ensure the safety of our students.

Only students with properly signed permits are allowed to take school sponsored trips. The school would like to have one trip permission slip on file to cover this year's trips. We believe this will decrease the time taken from instruction to collect and keep track of the slips each time a trip is taken.

We will keep you informed about upcoming trips through the parent newsletters and classroom newsletters, memos, etc. If you do not want your student to participate on a specific trip, please be sure to inform your child's teacher.
