

# 2019 School Calendar

Eugene School District 4J

4J schools were closed for four days in February due to heavy snow. The school calendar has been adjusted to restore the missed school days and balance the length of the trimesters.

**Four Days Restored:** One school day will be restored on March 15. This day was originally scheduled to be a no-school day for teacher planning and professional development. The other three days will be made up at the end of the school year in June.

**Other Changes:** The second trimester is extended by one week. The grading day for middle and high schools is moved from March 14 to March 22. The third trimester will begin after spring break.

**Last Day of School:** The final day of classes will be June 18 if there are no more school closure days this year. High school graduation dates have not changed.
