

Hybrid and Same School Online

Adams Elementary School

What is the same for ALL students?

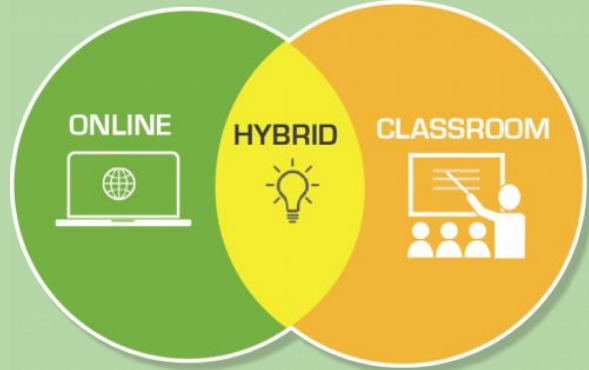

- Monday, Tuesday, Thursday, and Friday school begins at 8:45 am and ends at 1:45pm (5 hours)
- Wednesdays will stay like they are now.
- 30 minute recess and 30 minute lunch break daily.
- Students use Zoom and Seesaw to access instruction and lessons.
- Learning is focused on prioritized standards - the most essential concepts students need to know and understand.

What are the two learning options?

Hybrid Learning

- Students alternate learning at school and learning at home

Same School Online

- Students continue learning only at home

With either option, your student's teacher may change.

Hybrid Learning – On Site Week

Students in hybrid learning alternate coming to the school building and learning from home.

- Drop-off and pick-up protocols will be shared with families, and will occur outside of the building.
- Half of the class (up to 15 students) come to school
- Teacher is in the room with students
- Desks are spaced 6' apart
- Masks are required at all times
- Time is built in for handwashing and hygiene
- Breakfast and lunch are eaten in the classroom at desks
- Bathrooms are cleaned regularly
- Students stay in their grade level cohorts for all activities like recess and bathroom access
- Some services may be provided in person if allowed

Hybrid Learning – Off Site Week

Students in hybrid learning take turns coming to the school building and learning from home.

- Students are at home or daycare completing the day's work
- At least one opportunity each day to Zoom with staff
- Less live teacher time than what they have now in CDL
- PE and Music classes offered live on Zoom and on-demand on Seesaw
- To help us keep up the pace of learning, students will need support ensuring their work is getting done at home
- Recommend students follow the same schedule they use when in-person

Same School Online Learning

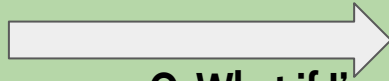

Students in same school online remain home for the rest of the year. They will not come into the school building.

- Students remain at home and meet with their teacher via Zoom
- Recommend follow the same schedule as in-person students ~ 8:45-1:45.
- Students will have the same or possibly more live teacher time compared to hybrid students.
- May be times when students work independently while the teacher meets with other students
- Students are expected to attend class, engage in learning with the teacher, and complete their assignments daily

Survey – by February 9

Last chance to decide which option you'd prefer. If you didn't receive a text, email, or phone call with a link to a survey, let us know! (541) 790-5000

HYBRID

OR

SAME SCHOOL ONLINE

Q: What if I've never responded to a survey?

A: Your student is automatically enrolled in Hybrid Learning.

If you are satisfied with the choice? Great! No need to respond.

Q: Why can't we wait to decide until kids actually return?

A: We need to know how many children will be in each program in order to know where staffing is required.

Q: My child really likes their teacher and that relationship is important. Will we be able to stay with them?

A: We'd love to be able keep everyone with their teachers, and we will work to keep as much consistency as possible, but it's not something we can promise until we understand the needs.
